

# 2025-2026 EEGS Foundation Student Scholarships

The EEGS Foundation is pleased to offer a scholarship to students interested in pursuing a career in near-surface geophysics to help meet the challenges of the future. The application can be downloaded from the EEGS Foundation website at <https://www.eegsfoundation.org/student-scholarships> . Applications are due by midnight Pacific time on April 30, 2025.

## General Information

- The EEGS Foundation plans to award three \$1500 scholarships to deserving undergraduate and/or graduate students. The EEGS Foundation reserves the right to modify the number of scholarships or the amount of each scholarship.
- The scholarship(s) are intended to be used during the 2025-2026 academic year, and eligibility for undergraduate or graduate scholarships will be based on the student's anticipated status during the award period.
- In addition to monetary compensation, the awardee(s) selected to receive a scholarship:
  - will have their essays and biographies published in Fast Times and
  - will receive one free student registration to the 2026 SAGEEP conference and be recognized at the conference.

## Eligibility

To be eligible for the EEGS Foundation Student Scholarship:

- Applicants must be currently enrolled in and attending an undergraduate or graduate program at an accredited university or college.
- Applicants must be studying geophysics, engineering, geology, physics, or another field in which they study geophysical methods and applications.
- Applicants must be a Student Member or Member of EEGS.
- Applicants must complete and submit the application form and attachments in Adobe PDF format to [eegs.foundation.scholarship@gmail.com](mailto:eegs.foundation.scholarship@gmail.com) and received by midnight Pacific time on April 30, 2025.
- EEGS Foundation Board of Directors, EEGS Board of Directors, the EEGS Foundation Scholarship Selection Committee, and family members of these individuals are not eligible to receive scholarships.
